

Workshop on Nanomaterials for Emerging Applications (NMEA-2022)

25-26 February 2022

Coordinator

Dr. R. Justin Joseyphus

Organized by

**Department of Physics
National Institute of Technology
Tiruchirappalli 620 015**

Funded by

Under the
Scientific Social Responsibility Policy
of
Department of Science and Technology

About the Workshop

Workshop on nanomaterials for emerging applications is organized by the Department of Physics, National Institute of Technology, Tiruchirappalli. The workshop is funded by the Department of Science and Technology, Government of India under the Scientific Social Responsibility Policy. The primary aim is to foster research culture among faculty of nearby colleges introducing topics such as research methodology, nanomaterials and its applications. The programme includes lectures by NIT-T faculty and participants presentation.

Eligibility

Young faculty from colleges in and around Tiruchirappalli, limited to 25 participants. (Full COVID-19 vaccination essential).

Registration procedure

Send your biodata along with the signed registration form through email. Selected candidates have to confirm their participation through email on or before **22nd Feb 2022**.

Registration fee

No registration fee.

Venue:

Breeze Residency Hotel
Near Central Bus Stand
Tiruchirappalli 620 001

Registration form

NMEA-2022

25-26 (Fri-Sat) February 2022

Use separate form as per the format given below

Name:

Designation:

Qualification:

Institution:

Mailing address:

Email:

Mobile:

Research experience in years: ____

Area of research:

Fully Vaccinated on: ____

Signature of the applicant with date

- The completed registration form has to be submitted on or before **22nd February 2022** by email.
- Digital signature is accepted.
- Open to all branches of Science and Engineering.
- Participants oral presentation on any research area (10 min).

Address for communication
